HAPPENINGS OF INTEREST FROM DIFFERENT SECTIONS

Mr. and Mrs. Alfred C. Miller observed the 50th anniversary of their marriage at their home in Bristol Oct. 19.

Rev. Arthur J. LeVeer, formerly assistant at Notre Dame church in St. Johnsbury, has been appointed a chaplain in the 26th division, now in France.

Dana Stafford of Brattleboro and Bert Wilder of Wardsboro shot a bear in Wardsboro Oct. 22 which weighed 200 pounds. They went out to set a trap and shot the trophy before the trap was set.

Miss Maud R. Shelton, registered nurse, has received a call from the Red Cross to report for surgical work overseas Nov. 1. She has been a successful nurse in St. Johnsbury for the last 10 years.

Rev. Samuel H. Lee, 85, pastor of the Center Congregational church in Brattleboro from 1883 to 1885, and president emeritus of the American international college in Springfield, Mass., died Oct. 20 at his home in that city of heart failure.

Alvini Brousseau, a French Canadian who was being detained at the United States immigration office in St. Albans as being unlawfully in this country, has died at the Sherwood sanitarium of pneumonia following influenza. The body was taken to Swanton for burial.

Perry Wilder, four-year-old son of Mr. and Mrs. Fred Wilder of West Brattleboro, is in the Melrose hospital with a compound fracture of his right arm, the result of being thrown from an express cart while at play Wednesday. He was riding on top of a box and was thrown off in going around a corner.

Pvt. Eugene St. Louis, recently named in the casualty lists, is the husband of Mrs. E. J. St. Louis of Burlington, and she has received word from a Y. M. C. A. director that her husband has one leg amputated as the result of injuries received Aug. 3. He expects to be sent back to the United States soon.

Clement Beaupre of Burlington has received word that his son, Joseph O. Beaupre, was killed in action Sept. 20. He was with the Canadian army. His age was 36 years. Three brothers are in the army, Eugene, with the Canadian forces, John B. at Camp Hancock, Ga., and Victor N. with the 101st ammunition train in France.

Guy A. Lamson, district deputy grand master of the fifth Masonic district, has received notice from the grand lodge officers that because of the prevailing epidemic and the need of conservation of fuel, foodstuffs, money and energy toward winning this great war, he is being suspended from his duties as a nurse in St. Johnsbury for the last 10 Vermont.

Plans and specifications have been prepared for the nurses' home which Mr. and Mrs. George L. Dunham of Brattleboro are to present to the Brattleboro Memorial hospital in memory of their daughter, Miss Marion H. Dunham. The building is to cost \$15,000. Its erection will be held up on account of war conditions until the government will permit such building operations.

Edward H. Willis, son of Mr. and Mrs. T. R. Willis of Pittsford, has received the cross of guerre from the French army. Mr. Willis has been in France since August, 1917, when he went over in the American ambulance field service and has served always with the French army. His section has so far received two army citations as well as two divisional citations.

PHYSICIAN DIED SUDDENLY.

Dr. F. W. Baylies of Burlington Gave Up Life for Patients.

Burlington, Oct. 25.—Dr. Frederick W. Baylies died suddenly Wednesday afternoon at his home on Pine street, his death being due to over-exertion in the fight against influenza in this city. Dr. Baylies had been visiting as many as 100 patients per day, and only Tuesday made that number of calls on sick people. Wednesday morning he became ill, but his condition at noon was not thought serious, until it suddenly took a turn for the worse and he failed rapidly. Since a long illness last spring he had not regained his former strength, and his strenuous work in the influenza fight proved fatal to him.

Dr. Baylies, who was 47 years of age, was born at Taunton, Mass. He was graduated from the University of Vermont college of medicine in 1897, specializing in chemistry. After graduation he became professor of chemistry at the university, subsequently taking up regular practice in the city.

He was a past master of Washington lodge, A. F. and A. M., and had passed through the chairs in Hamilton lodge, I. O. O. F., and Green Mountain encampment, and was a member of both state grand bodies. He was a member of the Old Colonial Historical society of Taunton, Mass., and of the Burlington and Chittenden Clinical society, the Vermont State Medical society and the American Medical society.

He was a member also of the Lake Champlain Yacht club and official measurer for many years.

He was a member of the board of aldermen from 1914 to 1915.

He is survived in his family by his wife and four children, Cecil LaBaron of Chateaugay, N. Y., Miriam, Eunice and Cornelia, all of this city.

SAVE YOURSELF FROM INFLUENZA

If you are "run down" or out of condition, if sluggish bowels have allowed poisonous impurities to accumulate in your system you are certain to suffer severely with the grip. Dr. True's Elixir, the famous household remedy of 67 years' reputation, will ward off the grip entirely or make an attack light and easily thrown off. Why? Because Dr. True's Elixir is a vegetable tonic that puts the system in good condition, prevents and relieves constipation, stimulates the appetite and strengthens the digestive powers. It can do no harm because it contains no mineral drugs. All purely vegetable. A tonic—not a stimulant. No reaction. Ask your druggist for it, or write Dr. J. F. True & Co., Auburn, Me.—Adv.

BRATTLEBORO MAN CITED.

Capt. Herbert W. Taylor Distinguished Himself at St. Mihiel.

Captain Herbert W. Taylor of Brattleboro, formerly on the medical staff at the Brattleboro retreat and now with the 101st sanitary train, serving with the American expeditionary forces in France, has been cited for distinguished bravery for the work of his ambulance company with a field hospital near the front in St. Mihiel salient in the drive of Sept. 12 and later.

As a result of the citation Captain Taylor has been placed in full charge of the entire ambulance section of the 101st sanitary train, which includes four full ambulance companies, but does not change his rank.

Captain Taylor sent to a friend in Brattleboro several souvenirs of the

Hooray for Banana Peel "Gets-It"

Only Real Way to Get Rid of Corns.

Which do you prefer—a corn that pulls or a corn that peels? Butcher's or Blum's? Only "Gets-It" can get rid of your corns the good way. You don't need a pull. Why lump yourself up on the floor

and with your jaws set and eyes popping from pain, jerk and gouge and cut your corns? Why irritate your toes with some snare or wrap your toe into a big painful bundle with some sticky tape or plaster. Life is too short. Use "Gets-It"—it takes a few seconds to apply and there's no fussing. Corns-peels gone. Wear new shoes if you want. Peel off your corns with your fingers—the whole thing, root and all, clear and clean, and it's gone! Only "Gets-It" can do this. Take no chances.

"Gets-It" is the guaranteed, money-back corn-remover, the only sure way, costs but a trifle at any drug store. M'd by E. Lawrence & Co., Chicago, Ill. Sold in Barre and recommended as the world's best corn remedy by Cummings & Lewis—Adv.
